(Print guardian name)

Up _____ in the church van, bus, or other privately owned vehicles every
(Name of Child/Children)

Wednesday. I agree with the policy of calling the office if my child(ren) will not be attending.

Date _____ Signature _____

Cut and turn in top portion

Kid's Joy Club Parent Reminders

1. All Parents should call/email as soon as possible if their child is not attending Kid's Joy Club. This helps us in better preparation of snacks, materials and van riders—So that we do not take up Club time by waiting in the office trying to find out where your child is, and this allows us to know how many seats we have available for transportation. **If your child misses 3 times without notifying the church**, other transportation will need to be provided by you.
2. We provide Kid's Joy Club free of charge, however we could really use snacks, volunteers and monetary donations. If you can donate anything please call Dayna at 622-9191 or email dschaumann@goodnewsumc.net
3. Phone numbers and emails must be kept current. For the safety of your child we must have contact numbers where we can reach you.
4. Please do not send children to Kid's Club if they are sick or have lice. Children who do not attend school that day should not be dropped off at Club, even if they are feeling better by Club time. We miss your child when they can't come, but we also do not want others to get sick.
5. Good Behavior is expected. We want children to learn about God and show respect for others. Children who have repeated problems with showing respect will have parents contacted. If poor behavior continues, they will have to miss a Club meeting. If poor behavior continues further, unfortunately your child will have to stop coming to Joy Club, and we really do not want that. Please speak to your child about behavior.
6. Pick Up Time is at 5:30. If you are running late please contact the church office. After Kid's Club, the church has a pot luck dinner from 5:30-6:30 followed by Bible study groups for all ages. Feel free to attend dinner and or a study. Children are not allowed to attend dinner without their parents.

Lets have a great year at Kid's Joy Club. Call Dayna for any concerns, needs, or questions.

God Bless our children, their families and our staff

Dayna Schaumann, Children Minister
