Bring your gloves, clippers, rakes and
other garden tools you like to use.

OIL SLICK IN GULF

We are all aware of the potential catastrophe that threatens the Gulf Coast. Remember that we, as Christians are stewards of the earth God has given us. So as you are able and as you can respond to this disaster, please act.

1. Pray for the efforts to close off the oil leak.
2. Be part of the solution, whether by volunteering, helping emergency responders or allowing your property to become useful in the mitigation of this disaster.
4. Be a witness of God's grace in the midst of this problem. This is Christ's time to shine through us.
