

Prime Timers

About the Prime Timers:

One of our newest and fastest growing ministries is our Prime Timers.

This active group of "over 50" adults have frequent fellowship gatherings and activities. Concerts, trips, holiday celebrations and just plain fun highlight the Prime Timers. The

Prime Timers also enjoy having monthly functions and trips. Over the past

year they have visited Wakulla Springs for a weekend, went on a float

trip one Saturday, monthly potlucks and game nights at our building. Group leaders each take a three month period to plan

functions and have added great depth to our group with new and fun ideas.

Our Fellowship has made

us become closer acquainted with each other and share each other's needs in Christian Love.
